第一條 本校碩士班肄業研究生，修業滿兩學期，合於下列條件之一者，得申請逕行修讀博士學位：

I. For Master's degree students, who have completed two semesters already, and who meet one of the following two provisos, an application may be lodged to continue towards doctoral degree study:

一、成績排名為全年級前三分之一以內者。

1. Their grades are within the top one-third of their entire class-year cohort.

二、有資料足資證明在光電相關領域之研究潛力者。

2. Sufficient evidence is provided indicating their research potential for success in optoelectronics related fields.

第二條 碩士班肄業研究生申請逕讀博士學位之審查，由本所專任教師共同組成「招生委員會」辦理。

II. Approval of Master's degree students for application to continue to study towards

the doctoral degree, shall be conducted by the faculty members of this Institute's "Student Recruitment Committee".

第三條 本規定於所務會議通過後實施，修改時亦同。

III. These guidelines shall take effect upon promulgation by the Graduate Institute Faculty Council approval, and amendments hereto likewise so.

第四條 其他未盡事宜悉依本校規定辦理。

IV. All other matters not covered herein shall be governed by the applicable regulations of this University.
